The screenshot shows the CERS Business login interface. At the top is a green header with 'CERS Business'. Below it is a dark grey bar with the text 'Recover CERS Username or Reset Password' and a 'Sign In' link. The main content area has two options: 'Forgot Username?' with a 'Recover my Username' button, and 'Forgot Password?' with a 'Reset my Password' button. At the bottom, there is a green footer with version information and links for Diagnostics, Conditions of Use, Privacy Policy, Contact, and Help.

2. Enter your username or email address, input the verification letters, and click **Next**

The screenshot shows the 'Reset CERS Account Password' page. It features a dark grey header with 'Reset CERS Account Password' and a 'Sign In' link. The main form area contains the following elements: a heading 'Provide your username or email address associated with your CERS Account to begin the password reset process.', a text input field for 'Username or Email Address', a section titled 'Enter Verification Characters' containing a box with the characters '8d1vz8', a 'Refresh' link, and an 'Input symbols' text input field. At the bottom right of the form are 'Next' and 'Cancel' buttons. The footer is identical to the previous screenshot.

3. CERS will send you an email with instructions to finish resetting your password.
