REPORT:

Con Fire request for response to abandoned chemicals located at 620 Clark Ave. While en-route to scene PD began investigation into the origin of abandoned drums and recovered an address of 105 Bliss Ave which was discovered to be an illegal honey oil manufacturing facility. Abandoned drums were affiliated with the operations ongoing at 105 Bliss based on PD investigation. CCHSHMP performed joint entry with Con Fire HazMat for identification of abandoned drums: safety brief at 1200, entry on air at 1218, sampling beings at 1220, air check at 1225, check in (4 complete, 1 to go) at 1230, exit hot zone at 1236, off air at 1238. CCHSHMP conducting analysis on samples beginning at 1241. DTSC Duty Officer was contacted through Cal OES to obtain a CLU number and manage information needed to conduct waste pick-up from the site. Team then began investigation of the 105 Bliss Ave location after PD received search warrant for the property. Facility was confirmed to be illegally manufacturing honey oil at this location. Fire Marshall determined to give property 48 hours to remove hazardous materials from the site. Team departed scene and 17:45 and specialist XB returned later that night to coordinate hazardous waste removal by contractor. On 8/20 Fire Inspector Bain followed up with the facility to confirm all material was removed.

Additional Required Items: Bill of Lading, Request for Invoice, and Site Safety Plan
