3.

g. DESCRIPTION: Caller states: A five gallon container was abandoned in a drainage. Approximately 1 gallon is remaining in the container. The rest of the release entered the drainage which leads to Vine Hill Creek. There is a sheen on the creek. The container has been uprighted. The released material is unrecoverable. The Vine Hill Creek is a managed creek and is not a free flowing creek. The estimated sheen size is: 300 feet. The container has been removed and is being disposed of.
