Prior written consent of the County Administrator or his designee, subject to any required state or federal approval, is required before the Contractor may enter into subcontracts for any work contemplated under this Contract, or before the Contractor may assign this Contract or monies due or to become due, by operation of law or otherwise.

14. **Independent Contractor Status.** The parties intend that Contractor, in performing the services specified herein, is acting as an independent contractor and that Contractor will control the work and the manner in which it is performed. Neither Contractor, nor any of its employees, is a County employee. This Contract does not give Contractor, or any of its employees, any right to participate in any pension plan, workers' compensation plan, insurance, bonus, or similar benefits County provides to its employees. Associate shall not use or disclose Protected Information for fundraising or marketing purposes. Associate shall not disclose Protected Information to a health plan for payment or health care operations purposes if the patient has requested this special restriction, and has paid out-of-pocket in full for the health care item or service to which the PHI solely relates. Associate shall not directly or indirectly receive remuneration in exchange for Protected Information, except with the prior written consent of County and as permitted by the HITECH Act, 42 U.S.C. Section 17935(d)(2) and the HIPAA regulations, 45 C.F.R. Section 164.502(a)(5)(ii); however, this prohibition shall not affect payment by County to Associate for services provided pursuant to the Agreement.
- d. **Appropriate Safeguards.** Associate shall implement appropriate safeguards to prevent the unpermitted use or disclosure of Protected Information, including but not limited to, the administrative, physical, and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of Protected Information that it creates, receives, maintains, or transmits on behalf of County as required by the Agreement or this Addendum and in accordance with 42 C.F.R. This includes the requirement to immediately notify the Associate of any instances of any breach, security incident, intrusion, or unauthorized access to or use or disclosure of PI of which it becomes aware. Written and oral notifications shall include, to the extent possible, the identification of each individual whose unsecured Protected Information has been, or is reasonably believed by the Associate to have been accessed, acquired, used, or disclosed, as well as any other information the County is required to include in notification to the individual, the media, the Secretary, and any other entity under the Breach Notification Rule and any other applicable state or federal laws, including, but not limited to, 45 C.F.R. Section 164.404 through 45 C.F.R. Section 164.408. Associate shall take (i) prompt corrective action to cure any such deficiencies; and (ii) any action pertaining to such unauthorized disclosure required by applicable federal and state laws and regulations.

- h. **Access to Protected Information.** Associate agrees to make Protected Information maintained by Associate or its agents or subcontractors in Designated Record Sets available to County for inspection and copying within five (5) days of a request by County to enable County to fulfill its obligations under state law and the Privacy Rule, including but not limited to, 45 C.F.R. If Associate maintains Protected Information in electronic format, Associate shall provide such information in electronic format to enable County to fulfill its obligations under the HITECH Act and HIPAA regulations, including, but not limited to, 42 U.S.C. - i. **Amendment of Protected Health Information.** Within ten (10) days of receipt of a request by County for an amendment of Protected Information or a record about an individual contained in a Designated Record Set, Associate and its agents and subcontractors shall make such Protected Information available to County for amendment or other documentation and incorporate any such amendment to enable County to fulfill its obligations under the Privacy Rule including, but not limited to, 45 C.F.R. Section 164.526. If an individual requests an amendment of Protected Information directly from Associate, its agents or subcontractors, Associate must notify County within five (5) calendar days of the request. County, in its sole discretion, will determine whether to approve or deny a request for an amendment of Protected Information maintained by Associate, its agents or subcontractors.
- j. **Availability of Protected Information and Accounting of Disclosures.** Within ten (10) days of a request by County for an accounting of disclosures of Protected Information, Associate and its agents or subcontractors shall make available to County the information required to provide an accounting of disclosures to enable County to fulfill its obligations under the Privacy Rule, including, but not limited to, 45 C.F.R. Section 164.528, and the HITECH Act, including, but not limited to, 42 U.S.C. Section 17935(c), as determined by County. As set forth in, and as limited by, 45 CFR Section 164.528, Associate need not provide an accounting to County of disclosures: (i) to carry out treatment, payment or health care operations, as set forth in 45 C.F.R. Section 164.506; (ii) to individuals of PHI about them as set forth in 45 CFR 164.502; (iii) incident to a use or disclosure otherwise permitted or required by this Subpart as provided in 45 C.F.R. 164.502; (iv) pursuant to an authorization as provided in 45 C.F.R. Section 164.508; (v) to persons involved in the individual's care or other notification purposes as set forth in 45 CFR Section 164.510; (vi) for national security or intelligence purposes as set forth in 45 C.F.R. Section 164.512(k)(2); (vii) to correctional institutions or law enforcement officials as set forth in 45 C.F.R. Section 164.512(k)(5); or (viii) as part of a limited data set in accordance with 45 C.F.R. 164.514(e). Associate agrees to implement a process that allows for an accounting to be collected and maintained by Associate and its agents or subcontractors for at least six (6) years prior to the request, but not before the compliance date of the Privacy Rule. However, accounting of disclosures from an Electronic Health Record for treatment, payment or health care operations purposes are required to be collected and maintained for only three (3) years prior to the request, and only to the extent that Associate maintains an electronic health record and is subject to this requirement. At a minimum, the accounting must include: (i) the date of disclosure; (ii) the name of the entity or person who received Protected Information and, if known, the address of the entity or person; (iii) a brief description of Protected Information disclosed; and (iv) a brief statement of the purpose of the disclosure that reasonably informs the individual of the basis for the disclosure, or, in lieu of such statement, a copy of the individual's authorization or a copy of the written request for disclosure pursuant to 45 C.F.R. Section 164.502 (a)(2)(ii) or 45 C.F.R. Section 164.512, if any. In the event that the request for an accounting is delivered directly to Associate or its agents or subcontractors, Associate shall forward the request, in writing, to County within five (5) days of receipt. Associate shall not prepare, deliver or otherwise respond to the request for accounting without prior County approval.

- k. **Governmental Access to Records.** Associate agrees to make its internal practices, books, and records relating to the use and disclosure of Protected Information available to County and to the Secretary for purposes of determining Associate's and County's compliance with HIPAA. Associate shall provide County a copy of any Protected Information and other documents and records that Associate provides to the Secretary concurrently with providing such Protected Information to the Secretary.
- l. **Minimum Necessary.** Associate and its agents and subcontractors will request, use, and disclose only the minimum amount of Protected Information necessary to accomplish the purpose of the request, use, or disclosure. Associate understands and agrees that the definition of "minimum necessary" is in flux and shall keep itself informed of guidance issued by the Secretary with respect to what constitutes "minimum necessary."
- m. **Data Ownership.** Associate acknowledges that Associate has no ownership rights with respect to the Protected Information.
- n. **Retention of Protected Information.** Except as provided in Section 3.c. of this Addendum, Associate and its subcontractors and agents must retain all Protected Information throughout the term of the Agreement and must continue to maintain the information required by Section 2.h. of this Addendum for a period of six (6) years after termination or expiration of the Agreement. However, accounting of disclosures from an Electronic Health Record for treatment, payment or health care operations purposes are required to be collected and maintained for three (3) years prior to the request, and only to the extent that Associate maintains an electronic health record and is subject to this requirement.
- o. **Associate's Insurance.** In addition to any other insurance requirements specified in the Agreement, Associate will, at its sole cost and expense, insure its activities in connection with this Addendum. Associate will obtain, keep in force and maintain insurance or equivalent program(s) of self-insurance with appropriate limits, as determined by County, that will cover losses that may arise from any breach of this Addendum, violation of HIPAA, the HITECH Act, HIPAA regulations or applicable California law. It is expressly understood and agreed that the insurance required herein does not in any way limit the liability of Associate with respect to its activities in connection with this Addendum.
- p. **Breach Pattern or Practice by Associate's Agents or Subcontractors.** Pursuant to 42 U.S.C. Section 17934(b) and 45 C.F.R. Section 164.504(e) (1) (ii), if the Associate knows of a pattern of activity or practice of an agent or subcontractor that constitutes a material breach or violation of the agent or subcontractor's obligations under the Agreement or Addendum, the Associate must take reasonable steps to cure the breach or end the violation. Associate shall meet with its agent or subcontractor to discuss and attempt to resolve the matter. Such meeting will be considered one of the reasonable steps to cure the breach or end the violation. If the steps taken are unsuccessful, the Associate must terminate its Agreement with the agent or subcontractor, if feasible. Associate shall provide written notice to County of any pattern of activity or practice of Associate's agents or subcontractors that Associate believes constitutes a material breach or violation of the agent or subcontractor's obligations under the Agreement or Addendum within five (5) days of discovery.

- q. **Audits, Inspections and Enforcement.** At any time during the term of the Agreement, with or without notice, County and its authorized agents or contractors may inspect Associate's facilities, systems, books, records, agreements and written policies and procedures as may be necessary to determine the extent to which Associate's security safeguards comply with HIPAA, the HITECH Act, HIPAA regulations, and this Addendum. The fact that County has the right to conduct such inspection, that County conducts an inspection or fails to inspect, does not relieve Associate of its responsibility to comply with this Addendum. County's failure to detect, or County's detection but failure to notify Associate of, or to require Associate to remediate unsatisfactory practices, does not constitute acceptance of such practice or a waiver of County's rights under the Agreement or Addendum. Associate shall notify County within five (5) days of discovery that it is, or that any of its agents or subcontractors are, the subject of a non-County audit, compliance review or complaint investigation regarding HIPAA or other health privacy-related matter.

3. **Termination.**

- a. **Material Breach.** A breach by Associate of any material provision of this Addendum, as determined by County, shall constitute a material breach of the Agreement and will be grounds for immediate termination of the Agreement pursuant to the Agreement's General Conditions, paragraph 5 (b), Failure to Perform.
- b. **Reasonable Steps to Cure Breach.** Notwithstanding County's right to terminate the Agreement immediately, if County knows of an activity or practice of Associate that constitutes a material breach or violation of Associate's obligations under the provisions of this Addendum, County may elect to provide Associate an opportunity to cure such breach or end such violation. If Associate's efforts to cure such breach or end such violation are unsuccessful, County will either (i) terminate the Agreement, if feasible or (ii) if termination of the Agreement is not feasible, County will report Associate's breach or violation to the Secretary.
- c. **Effect of Termination.** If the Agreement is terminated for any reason, Associate must, at the exclusive option of County, return or destroy all Protected Information that Associate, its agents and subcontractors, still maintain in any form. Associate may not retain any copies of such Protected Information. If County determines that return or destruction is not feasible, Associate may retain the Protected Information but must continue to extend the protections and satisfy its obligations under this Addendum. With regard to the retained Protected Information, Associate will limit further use of such Protected Information to those purposes that make the return or destruction of such Protected Information infeasible. If County directs Associate to destroy the Protected Information, Associate must act in accordance with the Secretary's guidance regarding the proper destruction of PHI and provide the County with written certification that the Protected Information has been destroyed. The obligations of Associate under this paragraph shall survive the Agreement.

- d. **Indemnification.** In addition to any indemnification requirements of the Agreement, Associate agrees to save, hold harmless and indemnify County for the costs of any mitigation undertaken by Associate. Associate agrees to assume responsibility for any and all costs associated with the County's notification of individuals affected by a breach or unauthorized access, use or disclosure by Associate or its employees, officers, subcontractors, agents or other representatives when such notification is required by any state or federal law or regulation, or under any applicable contract to which County is a party. Associate agrees to save, hold harmless, defend at its own expense if County so requests, and indemnify County, including County's employees, directors, officers, subcontractors, agents or other members of its workforce (each of the foregoing hereinafter referred to as "Indemnified Party"), against all actual and direct losses suffered by the Indemnified Party and against all liability to third parties arising from or in connection with any breach of this Agreement or from any acts or omissions related to this Agreement by Associate or its employees, directors, officers, subcontractors, agents or other members of its workforce. Accordingly, on demand, Associate shall reimburse any Indemnified Party for any and all actual and direct losses, liabilities, lost profits, fines, penalties, costs or expenses (including reasonable attorneys' fees) which may for any reason be imposed upon any Indemnified Party by reason of any suit, claim, action, proceeding or demand by any third party which results from the Associate's acts or omissions hereunder. The obligations of Associate under this provision shall survive the Agreement.
4. **Penalties/Fines.** Associate shall pay any penalty or fine assessed against County arising from Associate's failure to comply with the obligations imposed by the Addendum, HIPAA, the HITECH Act, the HIPAA regulations and other state and federal laws related to security and privacy. Associate shall pay any penalty or fine assessed against County arising from Associate's failure to comply with all applicable Federal or State Health Care Program Requirements, including, but not limited to any penalties or fines, which may be assessed under a Federal or State False Claims Act provision.
5. **Disclaimer.** County makes no warranty or representation that compliance by Associate with this Addendum, HIPAA, the HITECH Act, or the HIPAA regulations, will be adequate or satisfactory for Associate's own purposes. Associate is solely responsible for all decisions made by Associate regarding the safeguarding of PHI.
6. **Changes to Privacy Laws.**
- a. **Compliance with Law.** County and Associate acknowledge that state and federal laws relating to electronic data security and privacy are evolving and that this Addendum may require amendment to ensure compliance with such developments. County and Associate agree to take such action(s) as may be necessary to implement the standards and requirements of HIPAA, the HITECH Act, the HIPAA regulations, and other applicable state and federal laws relating to the security and confidentiality of PHI.

 Contractor County Dept.

- b. **Amendment to Addendum.** In the event that a change to state or federal law, statute, or regulation materially affects the terms and conditions of this Addendum, the parties agree that County may unilaterally amend the Addendum, if an amendment is required to remain in compliance with state or federal law or regulation.
- c. **Cybersecurity Risk.** In addition to the obligations Associate has in the Agreement and this Addendum, Associate will manage cybersecurity risk by staying current with, and integrating into its security program where appropriate, available federal and state agency guidance regarding cybersecurity of PHI. This includes, but is not limited to, the National Institute of Standards and Technology Cybersecurity Framework, the Cybersecurity Awareness Initiative of the Office for Civil Rights and the Office of the National Coordinator for Health Information Technology.

7. **Miscellaneous Provisions.**

- a. **Assistance in Litigation or Administrative Proceedings.** Associate will make itself, and any subcontractors, employees or agent assisting Associate in the performance of its obligations under the Agreement, available to County, at no cost to County, to testify as witnesses or otherwise, in the event of litigation or administrative proceedings against County, its officers or employees, based upon a claimed violation of HIPAA, the HITECH Act, the HIPAA regulations, or any other laws relating to security and privacy and arising out of the Agreement or this Addendum.
- b. **No Third Party Beneficiaries.** Nothing express or implied in this Addendum is intended to confer, nor shall anything herein confer, upon any person other than County, Associate, and their respective successors or assigns, any rights, remedies, obligations, or liabilities whatsoever.
- c. **Interpretation.** The provisions of this Addendum prevail over any provisions in the Agreement that may conflict, or appear to be inconsistent with, any provision of this Addendum. This Addendum and the Agreement will be interpreted as broadly as necessary to implement and comply with HIPAA, the HITECH Act, the HIPAA regulations and other state and federal laws related to security and privacy. The parties agree that any ambiguity in this Addendum will be resolved in favor of a meaning that complies, and is consistent, with HIPAA, the HITECH Act, the HIPAA regulations and other state and federal laws related to security and privacy.
- d. **Survival.** The obligations of Associate pursuant to Sections 2.j. and 3.c. of this Addendum survive the termination or expiration of the Agreement.

- a. This Contract is made in Contra Costa County and is governed by, and must be construed in accordance with, the laws of the State of California.
- b. Any action relating to this Contract must be instituted and prosecuted in the courts of Contra Costa County, State of California.

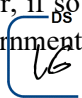

11. Conformance with Federal and State Regulations and Laws. Should federal or state regulations or laws touching upon the subject of this Contract be adopted or revised during the term hereof, this Contract will be deemed amended to assure conformance with such federal or state requirements.

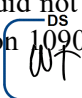

12. No Waiver by County. Subject to Paragraph 9. (Disputes) of these General Conditions, inspections or approvals, or statements by any officer, agent or employee of County indicating Contractor's performance or any part thereof complies with the requirements of this Contract, or acceptance of the whole or any part of said performance, or payments therefor, or any combination of these acts, do not relieve Contractor's obligation to fulfill this Contract as prescribed; nor is the County thereby prevented from bringing any action for damages or enforcement arising from any failure to comply with any of the terms and conditions of this Contract.

13. Subcontract and Assignment. This Contract binds the heirs, successors, assigns and representatives of Contractor. Prior written consent of the County Administrator or his designee, subject to any required state or federal approval, is required before the Contractor may enter into subcontracts for any work contemplated under this Contract, or before the Contractor may assign this Contract or monies due or to become due, by operation of law or otherwise.

14. Independent Contractor Status. The parties intend that Contractor, in performing the services specified herein, is acting as an independent contractor and that Contractor will control the work and the manner in which it is performed. This Contract is not to be construed to create the relationship between the parties, or between County and any Contractor employee, of agent, servant, employee, partnership, joint venture, or association. Neither Contractor, nor any of its employees, is a County employee. This Contract does not give Contractor, or any of its employees, any right to participate in any pension plan, workers' compensation plan, insurance, bonus, or similar benefits County provides to its employees. In the event that County exercises its right to terminate this Contract, Contractor expressly agrees that it will have no recourse or right of appeal under any rules, regulations, ordinances, or laws applicable to employees.

15. Conflicts of Interest. Contractor covenants that it presently has no interest and that it will not acquire any interest, direct or indirect, that represents a financial conflict of interest under state law or that would otherwise conflict in any manner or degree with the performance of its services hereunder. Contractor further covenants that in the performance of this Contract, no person having any such interests will be employed by Contractor. If requested to do so by County, Contractor will complete a "Statement of Economic Interest" form and file it with County and will require any other person doing work under this Contract to complete a "Statement of Economic Interest" form and file it with County. Contractor covenants that Contractor, its employees and officials, are not now employed by County and have not been so employed by County within twelve months immediately preceding this Contract; or, if so employed, did not then and do not now occupy a position that would create a conflict of interest under Government Code section 1090. addition to any indemnity provided by Contractor in this Contract, Contractor will indemnify, defend, and hold the County harmless from any and all claims, investigations, liabilities, or damages resulting from or related to any and all alleged conflicts of interest. Contractor warrants that it has not provided, attempted to provide, or offered to provide any money, gift, gratuity, thing of value, or compensation of any kind to obtain this Contract.

16. **Confidentiality.** To the extent allowed under the California Public Records Act, Contractor agrees to comply and to require its officers, partners, associates, agents and employees to comply with all applicable state or federal statutes or regulations respecting confidentiality, including but not limited to, the identity of persons served under this Contract, their records, or services provided them, and assures that no person will publish or disclose or permit or cause to be published or disclosed, any list of persons receiving services, except as may be required in the administration of such service. Contractor agrees to inform all employees, agents and partners of the above provisions, and that any person knowingly and intentionally disclosing such information other than as authorized by law may be guilty of a misdemeanor.

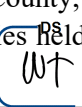

17. **Nondiscriminatory Services.** Contractor agrees that all goods and services under this Contract will be available to all qualified persons regardless of age, gender, race, religion, color, national origin, ethnic background, disability, or sexual orientation, and that none will be used, in whole or in part, for religious worship.

18. **Indemnification.** Contractor will defend, indemnify, save, and hold harmless County and its officers and employees from any and all claims, demands, losses, costs, expenses, and liabilities for any damages, fines, sickness, death, or injury to person(s) or property, including any and all administrative fines, penalties or costs imposed as a result of an administrative or quasi-judicial proceeding, arising directly or indirectly from or connected with the services provided hereunder that are caused, or claimed or alleged to be caused, in whole or in part, by the negligence or willful misconduct of Contractor, its officers, employees, agents, contractors, subcontractors, or any persons under its direction or control. If requested by County, Contractor will defend any such suits at its sole cost and expense. If County elects to provide its own defense, Contractor will reimburse County for any expenditures, including reasonable attorney's fees and costs. Contractor's obligations under this section exist regardless of concurrent negligence or willful misconduct on the part of the County or any other person; provided, however, that Contractor is not required to indemnify County for the proportion of liability a court determines is attributable to the sole negligence or willful misconduct of the County, its officers and employees. This provision will survive the expiration or termination of this Contract.

19. **Insurance.** During the entire term of this Contract and any extension or modification thereof, Contractor shall keep in effect insurance policies meeting the following insurance requirements unless otherwise expressed in the Special Conditions:

a. **Commercial General Liability Insurance.** For all contracts where the total payment limit of the contract is \$500,000 or less, Contractor will provide commercial general liability insurance, including coverage for business losses and for owned and non-owned automobiles, with a minimum combined single limit coverage of \$500,000 for all damages, including consequential damages, due to bodily injury, sickness or disease, or death to any person or damage to or destruction of property, including the loss of use thereof, arising from each occurrence. Such insurance must be endorsed to include County and its officers and employees as additional insureds as to all services performed by Contractor under this Contract. Said policies must constitute primary insurance as to County, the state and federal governments, and their officers, agents, and employees, so that other insurance policies held by

them or their self-insurance program(s) will not be required to contribute to any loss covered under Contractor's insurance policy or policies. Contractor must provide County with a copy of the endorsement making the County an additional insured on all commercial general liability policies as required herein no later than the effective date of this Contract. For all contracts where the total payment limit is greater than \$500,000, the aforementioned insurance coverage to be provided by Contractor must have a minimum combined single limit coverage of \$1,000,000.

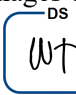

- b. **Workers' Compensation.** Contractor must provide workers' compensation insurance coverage for its employees.

- d. **Additional Insurance Provisions.** No later than five days after Contractor's receipt of: (i) a notice of cancellation, a notice of an intention to cancel, or a notice of a lapse in any of Contractor's insurance coverage required by this Contract; or (ii) a notice of a material change to Contractor's insurance coverage required by this Contract, Contractor will provide Department a copy of such notice of cancellation, notice of intention to cancel, notice of lapse of coverage, or notice of material change. Contractor's failure to provide Department the notice as required by the preceding sentence is a default under this Contract

20. **Notices.** All notices provided for by this Contract must be in writing and may be delivered by deposit in the United States mail, postage prepaid. Notices to County must be addressed to the head of the county department for which this Contract is made. Notices to Contractor must be addressed to the Contractor's address designated herein. The effective date of notice is the date of deposit in the mails or of other delivery, except that the effective date of notice to County is the date of receipt by the head of the county department for which this Contract is made.

21. **Primacy of General Conditions.** In the event of a conflict between the General Conditions and the Special Conditions, the General Conditions govern unless the Special Conditions or Service Plan expressly provide otherwise.

22. **Nonrenewal.** Contractor understands and agrees that there is no representation, implication, or understanding that the services provided by Contractor under this Contract will be purchased by County under a new contract following expiration or termination of this Contract, and Contractor waives all rights or claims to notice or hearing respecting any failure to continue purchasing all or any such services from Contractor.

23. **Possessory Interest.** If this Contract results in Contractor having possession of, claim or right to the possession of land or improvements, but does not vest ownership of the land or improvements in the same person, or if this Contract results in the placement of taxable improvements on tax exempt land (Revenue & Taxation Code Section 107), such interest or improvements may represent a possessory interest subject to property tax, and Contractor may be subject to the payment of property taxes levied on such interest. Contractor agrees that this provision complies with the notice requirements of Revenue & Taxation Code Section 107.6, and waives all rights to further notice or to damages under that or any comparable statute.

In its County-contractor capacity, Contractor will not participate or appear in any commercially produced advertisements designed to promote a particular brand name or commercial product, even if Contractor is not publicly endorsing a product, as long as the Contractor's presence in the advertisement can reasonably be interpreted as an endorsement of the product by or on behalf of Contra Costa County. Notwithstanding the foregoing, Contractor may express its views on products to other contractors, the Board of Supervisors, County officers, or others who may be authorized by the Board of Supervisors or by law to receive such views.

 - If Contractor expends less than \$750,000 in federal grant funds in any fiscal year from any source, but the grant imposes specific audit requirements, Contractor must provide County with an audit conforming to those requirements.
 - If Contractor expends less than \$750,000 in federal grant funds in any fiscal year from any source, Contractor is exempt from federal audit requirements for that year except as required by Code of Federal Regulations, Title 2, Part 200, Subpart F. Contractor shall make its records available for, and an audit may be required by, appropriate officials of the federal awarding agency, the General Accounting Office, the pass-through entity and/or the County. Associate agrees to implement a process that allows for an accounting to be collected and maintained by Associate and its agents or subcontractors for at least six (6) years prior to the request, but not before the compliance date of the Privacy Rule. However, accounting of disclosures from an Electronic Health Record for treatment, payment or health care operations purposes are required to be collected and maintained for only three (3) years prior to the request, and only to the extent that Associate maintains an electronic health record and is subject to this requirement. At a minimum, the accounting must include: (i) the date of disclosure; (ii) the name of the entity or person who received Protected Information and, if known, the address of the entity or person; (iii) a brief description of Protected Information disclosed; and (iv) a brief statement of the purpose of the disclosure that reasonably informs the individual of the basis for the disclosure, or, in lieu of such statement, a copy of the individual's authorization or a copy of the written request for disclosure pursuant to 45 C.F.R. Section 164.502 (a)(2)(ii) or 45 C.F.R. Section 164.512, if any. In the event that the request for an accounting is delivered directly to Associate or its agents or subcontractors, Associate shall forward the request, in writing, to County within five (5) days of receipt. Associate shall not prepare, deliver or otherwise respond to the request for accounting without prior County approval.

- k. **Governmental Access to Records.** Associate agrees to make its internal practices, books, and records relating to the use and disclosure of Protected Information available to County and to the Secretary for purposes of determining Associate's and County's compliance with HIPAA. Associate shall provide County a copy of any Protected Information and other documents and records that Associate provides to the Secretary concurrently with providing such Protected Information to the Secretary.
- l. **Minimum Necessary.** Associate and its agents and subcontractors will request, use, and disclose only the minimum amount of Protected Information necessary to accomplish the purpose of the request, use, or disclosure. Associate understands and agrees that the definition of "minimum necessary" is in flux and shall keep itself informed of guidance issued by the Secretary with respect to what constitutes "minimum necessary."
- m. **Data Ownership.** Associate acknowledges that Associate has no ownership rights with respect to the Protected Information.
- n. **Retention of Protected Information.** Except as provided in Section 3.c. of this Addendum, Associate and its subcontractors and agents must retain all Protected Information throughout the term of the Agreement and must continue to maintain the information required by Section 2.h. of this Addendum for a period of six (6) years after termination or expiration of the Agreement. However, accounting of disclosures from an Electronic Health Record for treatment, payment or health care operations purposes are required to be collected and maintained for three (3) years prior to the request, and only to the extent that Associate maintains an electronic health record and is subject to this requirement.
- o. **Associate's Insurance.** In addition to any other insurance requirements specified in the Agreement, Associate will, at its sole cost and expense, insure its activities in connection with this Addendum. Associate will obtain, keep in force and maintain insurance or equivalent program(s) of self-insurance with appropriate limits, as determined by County, that will cover losses that may arise from any breach of this Addendum, violation of HIPAA, the HITECH Act, HIPAA regulations or applicable California law. It is expressly understood and agreed that the insurance required herein does not in any way limit the liability of Associate with respect to its activities in connection with this Addendum.
- p. **Breach Pattern or Practice by Associate's Agents or Subcontractors.** Pursuant to 42 U.S.C. Section 17934(b) and 45 C.F.R. Section 164.504(e) (1) (ii), if the Associate knows of a pattern of activity or practice of an agent or subcontractor that constitutes a material breach or violation of the agent or subcontractor's obligations under the Agreement or Addendum, the Associate must take reasonable steps to cure the breach or end the violation. Associate shall meet with its agent or subcontractor to discuss and attempt to resolve the matter. Such meeting will be considered one of the reasonable steps to cure the breach or end the violation. If the steps taken are unsuccessful, the Associate must terminate its Agreement with the agent or subcontractor, if feasible. Associate shall provide written notice to County of any pattern of activity or practice of Associate's agents or subcontractors that Associate believes constitutes a material breach or violation of the agent or subcontractor's obligations under the Agreement or Addendum within five (5) days of discovery.

- q. **Audits, Inspections and Enforcement.** At any time during the term of the Agreement, with or without notice, County and its authorized agents or contractors may inspect Associate's facilities, systems, books, records, agreements and written policies and procedures as may be necessary to determine the extent to which Associate's security safeguards comply with HIPAA, the HITECH Act, HIPAA regulations, and this Addendum. The fact that County has the right to conduct such inspection, that County conducts an inspection or fails to inspect, does not relieve Associate of its responsibility to comply with this Addendum. County's failure to detect, or County's detection but failure to notify Associate of, or to require Associate to remediate unsatisfactory practices, does not constitute acceptance of such practice or a waiver of County's rights under the Agreement or Addendum. Associate shall notify County within five (5) days of discovery that it is, or that any of its agents or subcontractors are, the subject of a non-County audit, compliance review or complaint investigation regarding HIPAA or other health privacy-related matter.

3. Termination.

- a. **Material Breach.** A breach by Associate of any material provision of this Addendum, as determined by County, shall constitute a material breach of the Agreement and will be grounds for immediate termination of the Agreement pursuant to the Agreement's General Conditions, paragraph 5 (b), Failure to Perform.
- b. **Reasonable Steps to Cure Breach.** Notwithstanding County's right to terminate the Agreement immediately, if County knows of an activity or practice of Associate that constitutes a material breach or violation of Associate's obligations under the provisions of this Addendum, County may elect to provide Associate an opportunity to cure such breach or end such violation. If Associate's efforts to cure such breach or end such violation are unsuccessful, County will either (i) terminate the Agreement, if feasible or (ii) if termination of the Agreement is not feasible, County will report Associate's breach or violation to the Secretary.
- c. **Effect of Termination.** If the Agreement is terminated for any reason, Associate must, at the exclusive option of County, return or destroy all Protected Information that Associate, its agents and subcontractors, still maintain in any form. Associate may not retain any copies of such Protected Information. If County determines that return or destruction is not feasible, Associate may retain the Protected Information but must continue to extend the protections and satisfy its obligations under this Addendum. With regard to the retained Protected Information, Associate will limit further use of such Protected Information to those purposes that make the return or destruction of such Protected Information infeasible. If County directs Associate to destroy the Protected Information, Associate must act in accordance with the Secretary's guidance regarding the proper destruction of PHI and provide the County with written certification that the Protected Information has been destroyed. The obligations of Associate under this paragraph shall survive the Agreement.

- d. **Indemnification.** In addition to any indemnification requirements of the Agreement, Associate agrees to save, hold harmless and indemnify County for the costs of any mitigation undertaken by Associate. Associate agrees to assume responsibility for any and all costs associated with the County's notification of individuals affected by a breach or unauthorized access, use or disclosure by Associate or its employees, officers, subcontractors, agents or other representatives when such notification is required by any state or federal law or regulation, or under any applicable contract to which County is a party. Associate agrees to save, hold harmless, defend at its own expense if County so requests, and indemnify County, including County's employees, directors, officers, subcontractors, agents or other members of its workforce (each of the foregoing hereinafter referred to as "Indemnified Party"), against all actual and direct losses suffered by the Indemnified Party and against all liability to third parties arising from or in connection with any breach of this Agreement or from any acts or omissions related to this Agreement by Associate or its employees, directors, officers, subcontractors, agents or other members of its workforce. Accordingly, on demand, Associate shall reimburse any Indemnified Party for any and all actual and direct losses, liabilities, lost profits, fines, penalties, costs or expenses (including reasonable attorneys' fees) which may for any reason be imposed upon any Indemnified Party by reason of any suit, claim, action, proceeding or demand by any third party which results from the Associate's acts or omissions hereunder. The obligations of Associate under this provision shall survive the Agreement.
4. **Penalties/Fines.** Associate shall pay any penalty or fine assessed against County arising from Associate's failure to comply with the obligations imposed by the Addendum, HIPAA, the HITECH Act, the HIPAA regulations and other state and federal laws related to security and privacy. Associate shall pay any penalty or fine assessed against County arising from Associate's failure to comply with all applicable Federal or State Health Care Program Requirements, including, but not limited to any penalties or fines, which may be assessed under a Federal or State False Claims Act provision.
5. **Disclaimer.** County makes no warranty or representation that compliance by Associate with this Addendum, HIPAA, the HITECH Act, or the HIPAA regulations, will be adequate or satisfactory for Associate's own purposes. Associate is solely responsible for all decisions made by Associate regarding the safeguarding of PHI.
6. **Changes to Privacy Laws.**
- a. **Compliance with Law.** County and Associate acknowledge that state and federal laws relating to electronic data security and privacy are evolving and that this Addendum may require amendment to ensure compliance with such developments. County and Associate agree to take such action(s) as may be necessary to implement the standards and requirements of HIPAA, the HITECH Act, the HIPAA regulations, and other applicable state and federal laws relating to the security and confidentiality of PHI.

- b. **Amendment to Addendum.** In the event that a change to state or federal law, statute, or regulation materially affects the terms and conditions of this Addendum, the parties agree that County may unilaterally amend the Addendum, if an amendment is required to remain in compliance with state or federal law or regulation.
- c. **Cybersecurity Risk.** In addition to the obligations Associate has in the Agreement and this Addendum, Associate will manage cybersecurity risk by staying current with, and integrating into its security program where appropriate, available federal and state agency guidance regarding cybersecurity of PHI. This includes, but is not limited to, the National Institute of Standards and Technology Cybersecurity Framework, the Cybersecurity Awareness Initiative of the Office for Civil Rights and the Office of the National Coordinator for Health Information Technology.

7. **Miscellaneous Provisions.**

- a. **Assistance in Litigation or Administrative Proceedings.** Associate will make itself, and any subcontractors, employees or agent assisting Associate in the performance of its obligations under the Agreement, available to County, at no cost to County, to testify as witnesses or otherwise, in the event of litigation or administrative proceedings against County, its officers or employees, based upon a claimed violation of HIPAA, the HITECH Act, the HIPAA regulations, or any other laws relating to security and privacy and arising out of the Agreement or this Addendum.
- b. **No Third Party Beneficiaries.** Nothing express or implied in this Addendum is intended to confer, nor shall anything herein confer, upon any person other than County, Associate, and their respective successors or assigns, any rights, remedies, obligations, or liabilities whatsoever.
- c. **Interpretation.** The provisions of this Addendum prevail over any provisions in the Agreement that may conflict, or appear to be inconsistent with, any provision of this Addendum. This Addendum and the Agreement will be interpreted as broadly as necessary to implement and comply with HIPAA, the HITECH Act, the HIPAA regulations and other state and federal laws related to security and privacy. The parties agree that any ambiguity in this Addendum will be resolved in favor of a meaning that complies, and is consistent, with HIPAA, the HITECH Act, the HIPAA regulations and other state and federal laws related to security and privacy.
- d. **Survival.** The obligations of Associate pursuant to Sections 2.j. and 3.c. of this Addendum survive the termination or expiration of the Agreement.
