Stakeholder Sharing

MHSA Consolidated Planning Advisory Workgroup (CPAW) April 7, 2022 Meeting

Highlights of news to share and areas discussed at recent Contra Costa Behavioral Health Services (CCBHS) supported stakeholder meetings held in February and March 2022.

Adult Committee

Meetings canceled until further notice.

Aging and Older Adult Committee (AOA) (February 23rd, March 23rd) February

- The Older Adult COVID-19 Workgroup met on 2/23/22. We discussed the needs for older adults in Contra Costa County, including more accessible transportation, affordable housing, more resources for people with Dementia and other cognitive deficits, an increase in In-Home Supportive Services (IHSS) resources, more facilities that are designed to treat Alcohol and Other Drugs (AOD) disorders and dual diagnoses for older adults, mobile lab services, increased behavioral health staffing, and resources for family members and caregivers. We also discussed the needs of older adults who are coming out of prison and those who may refuse services.
- We also provided feedback on a Contra Costa Health Services messaging campaign to promote the COVID-19 Booster Vaccines.
- We shared that the Social Isolation Comcast commercial that our workgroup created in partnership with the Employment and Human Services Department (EHSD) was back on the air in English and Spanish!

<u>March</u>

- The Older Adult COVID-19 Workgroup met again on 3/23/22. We had informative presentations from Ana Bagtas, MHA, Division Manager, Area Agency on Aging and Sara Levin, MD, Deputy Health Officer. Ana discussed the services that the Area Agency on Aging provides, Contra Costa demographics, and the exciting Master Plan for Aging. Ana discussed ways that stakeholders can get involved in the planning process for the Master Plan in the future by joining a Subcommittee. Dr. Levin provided an update on COVID-19, and answered questions from our workgroup.
- The workgroup voted and has decided to change the date for our monthly meetings. We will now be meeting on 2nd Wednesdays of the month from 2pm to 3:30pm. Our next meeting will be on Wednesday, April 13th, 2022 from 2pm to 3:30pm on Zoom.

<u>Alcohol and Other Drugs (AOD) Advisory Board</u> (February 23rd) February

• Toni Brock presented concerns on the current length of stay in Residential Treatment facilities - 30 days is not enough time to provide effective treatment. Fatima Mata Sol stated the County follows Medi-Cal mandates and there is no 30-day limit. Admission and length of stay is determined by medical necessity determined by a trained professional and a counselor. Also, the program Medical Director can change the course of treatment. In addition, the County is regulated by high oversight requirements.

Dr. Rhiannon Shires presented on the effects of COVID on coping and substance use. Mass experience of trauma due to isolation. COVID Fatigue could lead to substance abuse. Becoming a new norm to cope. Encouraged outreach and education to raise awareness about substance abuse and available resources.

- AOD Staff Report all providers moving toward in-person services. Call volume is starting
 to increase. CenterPoint closed but obtained a new provider for services. Prevention
 services for youth are now primarily school based.
- Delta Landing opened in Pittsburg with 172 beds and includes a full health care clinic.
- The Mental Health Commission conducts program site visits and reviews programs. Is now
 focusing on people in jail with no access to mental health services. Submitted a proposal to
 allocate ten million dollars to provide these needed services.

March

- The AOD Board met on March 23rd. Due to the date of the meeting late in the Month of March, a summary of the meeting could not be provided by the publication of this document. A summary of the March meeting will be provided in May.
- The next AOD Board meeting will be April 27, 2022 from 4:00 pm to 6:15 pm.
