a) Interview candidates for the two student internship positions and select two candidates to nominate to the full Commission

The committee interview five candidates based on the ranking the committee members did since the last meeting. Five candidates received votes from two or more Commissioners, and four others received only one vote. Since a maximum of 7 candidates could be interviewed, only those that received 2 or more votes were selected to be interviewed. They were:

- Ruby Rodriguez
- Santiago Cabrera
- Isabella Polonsky
- Conner Emery
- Camilo Arriga

They were asked the same questions and given the same amount of time for their interview as were the seven candidates interviewed on October 14, 2022.

The committee reviewed the pluses and minuses of the 12 interviewed candidates. The committee decided they would pick their top two candidates and an alternate in case one of the candidates dropped out or the full Commission did not want to approve one of their top two choices.

The committee voted on their top 3 candidates out of all 12 that were interviewed in 4 successive rounds until the top two candidates and an alternate were selected to be recommended to the full Commission. The top two candidates were Rohan and Isabella, and the alternate was Caitlin.
