Dear Sharron Mackey,

Medi-Cal managed care health plans (MCPs) were required to submit a 2023 Subcontractor Network Certification (SNC) Landscape Analysis in advance of the 2023 SNC deliverable.

The Department of Health Care Services (DHCS) has completed its review of Contra Costa Health Plan's 2023 SNC Landscape Analysis submission. DHCS confirms the MCP meets the requirements outlined in the 2023 SNC and currently has subcontractor networks that need to be certified by county:

Contra Costa County

1. Kaiser Foundation Health Plan, Inc.

Attached is the MCP's Approved Landscape Analysis which includes the subcontractor network details.

The 2023 SNC is **due January 5, 2024**. DHCS provided the MCP with submission guidance on September 29, 2023 and will hold a webinar on December 8, 2023.

If you have any further questions, please feel free to contact DHCS at MCQMDNAU@dhcs.ca.gov.

Sincerely,

Managed Care Quality and Monitoring Division
Department of Health Care Services
