## **Welcome to Contra Costa Health Plan Provider Directory**

This directory is a list of **Contra Costa Health Plan (CCHP)** medical services and where you can find them. It includes:

- Health care professionals such as primary care providers (PCP), specialists; and
- Facilities such as urgent care, hospitals, skilled nursing facilities, and pharmacies.

This Provider Directory helps you find the right medical provider for you. Except for County Employees enrolled in Plan A, as a member of **CCHP**, you can choose your Primary Care Provider (PCP) from the Regional Medical Center Network, Community Provider Network or Kaiser Permanente. To select the Kaiser Permanente Medical Group as your PCP, you must have been a recent Kaiser member or meet other criteria to qualify. Please refer to the Kaiser Assignment Criteria document located at [cchealth.org/CCHPmaterials](http://cchealth.org/CCHPmaterials) or contact Member Services at 1-877-661-6230 (press 2) for more information.

### **Selecting or Changing Your Primary Care Provider (PCP)**

Select a provider for you and your family from the PCPs listed under Primary Care Providers. If you would like to change your PCP, our Member Services Representatives are available to help you. Call us toll free at 1-877-661-6230 option 2. Our office hours are Monday through Friday, 8:00 am to 5:00 pm.

### **Referral Providers**

You may need a referral to see a specialist or someone that is not your PCP. A referral means that your network PCP must give you approval before you can see the other provider.

Your PCP may decide to refer you to a doctor who is a Specialist so that you can get care for a specific medical condition. Most covered services that are not provided by your PCP, such as specialty services, non-emergency hospital services, laboratory and x-ray services, need approval by your PCP. Your PCP will refer you to a CCHP specialist doctor, hospital, or other CCHP provider from whom you may receive services. If there is not a CCHP provider available to perform the medical services you need, your PCP will ask CCHP to refer you to a non-CCHP provider for the services. CCHP may not cover the service if you don't have a referral and prior approval.

### **Language Services**

Health Plan members have the right to get medical services in a language they can understand. These rights include being able to request an interpreter free of charge. CCHP discourages the use of family members, friends or minors to interpret or translate materials.

We have interpreters available who know many languages, including sign language. If you need an interpreter, call a Member Services Representative at 1-877-661-6230 Option 2.

### **Timely Access to Care**

The California Department of Managed Health Care (DMHC) has regulations set forth in Title 28, Section 1300.67.2.2 for health plans to provide timely access to care for our members.

---

## Contra Costa Health Plan Regional Medical Center Network & Community Provider Network

---

Timely access standards include:

- Urgent care appointments not requiring prior authorization: within 48 hours
- Urgent care appointments requiring prior authorization: within 96 hours
- Non-urgent appointments for primary care: within 10 business days
- Non-urgent appointments with specialists: within 15 business days
- Non-urgent appointments with a non-physician mental health care provider: within 10 business days
- Non-urgent appointments for ancillary services for the diagnosis or treatment of injury, illness or other health conditions: within 15 business days
- Telephone triage waiting time not to exceed 30 minutes

Exceptions may apply to the timely access standards if DMHC has found exceptions to be permissible. Interpreter services are available at all CCHP points of contact where members may reasonably need such services.

If you have a timely access concern, you can contact Contra Costa Health Plan's Utilization Management at 1-877-661-6230 option 4 or file a grievance with CCHP Member Services by calling 1-877-661-6230 option 2. Grievance forms are also available on the CCHP web site [www.contracostahealthplan.org](http://www.contracostahealthplan.org).

**The Americans with Disabilities Act (ADA) of 1990 and Section 504 of the Rehabilitation Act of 1973**

The ADA prohibits discrimination based on disability and protects Members with disabilities from discrimination concerning public services, programs, and activities.

Section 504 of the rehabilitation act of 1973 state that no qualified disabled person shall be excluded, based on disability, from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity which receives or benefits from Federal financial assistance.

CCHP complies with both the ADA and Section 504. Members enrolled in CCHP are entitled to full and equal access to covered services, including members with disabilities.

## **Bienvenido al Plan de Salud de Contra Costa Directorio de Proveedores**

Este directorio es una lista de **los servicios médicos del Plan de Salud de Contra Costa (Contra Costa Health Plan, CCHP)** y dónde puede encontrarlos. Incluye:

- Profesionales de atención médica como proveedores de atención primaria (primary care providers, PCP), especialistas; y
- Centros como atención urgente, hospitales, centros de enfermería especializada y farmacias.

Este Directorio de Proveedores le ayuda a encontrar al proveedor médico correcto para usted. Excepto para Empleados del Condado inscritos en el Plan A, un miembro de **CCHP**, puede elegir un proveedor de atención primaria (PCP) de cualquier Red de Centros Médicos Regionales (Regional Medical Center Network), Red de Proveedores Comunitarios (Community Provider Network) o de Kaiser Permanente. Para seleccionar Kaiser Permanente Medical Group como su PCP, debe haber sido afiliado reciente de Kaiser o cumplir con otros criterios para reunir los requisitos. Consulte el documento Criterios de Asignación de Kaiser ubicado en [cchealth.org/CCHPmaterials](http://cchealth.org/CCHPmaterials) o comuníquese con Servicios al Afiliado al 1-877-661-6230 (marque 2) para obtener más información.

### **Cómo elegir o cambiar de proveedor de atención primaria (PCP)**

Elija un proveedor para usted y su familia de los PCP enumerados en la sección titulada Proveedores de atención primaria. Si desea cambiar de PCP, nuestros representantes de Servicios al Miembro están disponibles para ayudarle. Llámenos a la línea gratuita al 1-877-661-6230, opción 2.

Nuestro horario de atención es de lunes a viernes, de 8:00 a. m. a 5:00 p. m.

### **Proveedores de referencia**

Es posible que necesite una referencia para ver a un especialista o a alguien que no sea su PCP. Una referencia significa que su PCP de la red debe darle su aprobación antes de que pueda ver a otro proveedor.

Su PCP puede decidir referirlo a un médico que sea un especialista para que pueda obtener atención para una afección médica específica. La mayoría de los servicios cubiertos que no son proporcionados por su PCP, como servicios de especialidad, servicios hospitalarios que no sean de emergencia, servicios de laboratorio y rayos X, necesita la aprobación de su PCP. Su PCP lo referirá a un médico especialista de CCHP, hospital u otro proveedor de CCHP de quien puede recibir servicios. Si no hay un proveedor de CCHP disponible para realizar el servicio médico que necesita, su PCP pedirá al CCHP que lo refiera a un proveedor que no sea del CCHP para obtener los servicios. Es posible que CCHP no cubra el servicio si no tiene una referencia y aprobación previa.

### **Servicios de idiomas**

Los miembros del plan de salud tienen derecho a recibir servicios médicos en un idioma que puedan comprender. Estos derechos incluyen poder solicitar un intérprete en forma gratuita. El CCHP desaconseja acudir a familiares, amigos o menores para interpretar o traducir los materiales.

Contamos con intérpretes que conocen muchos idiomas, incluso la lengua de señas. Si necesita un intérprete, llame a un representante de Servicios al Miembro al 1-877-661-6230, opción 2.

### **Acceso oportuno a la atención**

El Departamento de Atención Médica Administrada (Department of Managed Health Care, DMHC) de California tiene reglamentaciones, establecidas en la Sección 1300.67.2.2 del Título 28, para que los planes de salud proporcionen acceso oportuno a la atención a los miembros.

Las normas de acceso oportuno incluyen:

- Citas de atención de urgencia que no requieran autorización previa: dentro de 48 horas
- Citas de atención de urgencia que requieran autorización previa: dentro de 96 horas
- Citas que no sean de urgencia para atención primaria: dentro de 10 días hábiles
- Citas que no sean de urgencia con especialistas: dentro de 15 días hábiles
- Citas que no sean de urgencia con un proveedor de atención de salud mental no médico: dentro de 10 días hábiles
- Citas que no sean de urgencia para servicios auxiliares para el diagnóstico o tratamiento de una lesión, enfermedad u otras afecciones de salud: dentro de 15 días hábiles
- El tiempo de espera de triaje telefónico no puede exceder los 30 minutos

Pueden aplicar excepciones a las normas de acceso oportuno si el DMHC ha determinado excepciones que son permisibles. Los servicios de intérprete están disponibles en todos los puntos de contacto del CCHP donde los miembros pueden necesitar de manera razonable tales servicios.

Si tiene una inquietud relacionada con el acceso oportuno, puede comunicarse con el departamento de Gestión de Utilización del Plan de Salud de Contra Costa al 1-877-661-6230, opción 4, o presentar una queja ante Servicios al Miembro del CCHP llamando al 1-877-661-6230, opción 2. Los formularios de queja también están disponibles en el sitio web del CCHP, en [www.contracostahealthplan.org](http://www.contracostahealthplan.org).

### **La Ley de Estadounidenses con Discapacidades (ADA) de 1990 y la Sección 504 de la Ley de Rehabilitación de 1973**

La Ley de Estadounidenses con Discapacidades (Americans with Disabilities Act, ADA) prohíbe la discriminación con base en la discapacidad y protege a los miembros con discapacidades de discriminación relacionada con servicios, programas y actividades públicos.

La Sección 504 de la Ley de Rehabilitación de 1973 establece que una persona discapacitada calificada no debe ser excluida de participar en, no se le debe negar el beneficio de, o ser sujeto de discriminación en virtud de ningún programa o actividad que reciba beneficios de asistencia financiera federal.

CCHP cumple tanto con la ADA como con la Sección 504. Los miembros inscritos en CCHP tienen derecho a un acceso total e igualitario a servicios cubiertos, incluidos los miembros con discapacidades.
